AdvancED Accreditation

Kids R Kids is now fully AdvancED accredited. What does this mean? It means we have an educational system that adheres to the highest quality standards. These standards are the product of careful research and years of testing and fine-tuning the successful practices in education.

The AdvancED Accreditation Standards consider all aspects of how institutions deliver quality education, which include teaching and learning, vision and strategies, governance, data use, resources, and self-improvement.

Back To School

It's time to think about Back to School. If your child is currently school age or attending Kindergarten for the first time, please see the front desk regarding transportation agreements for the Fall and also to let us know if your child will be attending Kids R Kids in the Fall.

ITEMS TO BRING TO SCHOOL : We are requesting that children refrain from bringing toys, lip gloss, and extra large pillows to school. We are encouraging you to only bring what is needed and what will fit in your child's cubbie. Toys may get lost or broken. Thank you for your understanding in this matter.

KISS and GO!

Parents – Please keep in mind that our Kiss and Go lane is intended for a quick drop off or pick up. If you plan on visiting for a little longer, please park in the lot. This will help our traffic flow situation. Also, if you do use the Kiss and Go lane, please do not block the white crosswalk or the fire lane. We sincerely appreciate your cooperation in this matter.

DONATIONS

We are always in need of several items that you may otherwise throw out. (paper towel tubes, coffee cans, children's books, outgrown toys, magazines, etc. etc. etc.)

Thank You!!!!
